Abbitt Papers Given to U of R

Congressman Watkins M. Abbitt of Virginia's Fourth District has given the papers, records and correspondence of his 25 years in Congress to the University of Richmond.

Rep. Abbitt, who received his law degree from the University in 1931 and an honorary Doctor of Laws degree in 1965 will retire at the end of the current term.

The first shipment of the papers - 241 cartons of them - have arrived at the university library where they are awaiting filing and storage. The remainder of the papers will be sent to the university when Rep. Abbitt closes his office in Washington.

President E. Bruce Heilman of the University said that "we are privileged and pleased to have Rep. Abbitt's papers, and delighted that he would make them available to the students and faculty of his Alma Mater."

Librarian Ardie L. Kelly, said the library is "indeed honored", adding that the university community will benefit greatly from this gift.

The papers include documents relating to Democratic Party matters, papers containing voluminous accounts of the congressman's legislation in the field of agriculture; speeches, election files, school intergration, and other miscellaneous matters.

The workshop was sponsored by the Virginia Electric Council in cooperation with Virginia Tech, Virginia State College and the Agriculture Education Service of the State Department of Education.

PERSONS UNEMPLOYED BY FLOOD HAVE 10 DAYS TO CLAIM AID

FARMVILLE – Persons who became unemployed or lost time from work as a result of the recent flooding have less than 10 days to apply for Disaster Unemployment Assistance if they live or work in Appomattox, Buckingham, Charlotte, or Cumberland.

Sumner Pugh, Manager of the Farmville office, of the Virginia Employment Commission, said Monday that claims for disaster unemployment benefits must be filed with the unemployment insurance division of his office by August 4, 1972.

Persons who become unemployed or lose time from work because of an officially declared disaster have 30 days from the date the Disaster Unemployment Assistance program is announced for their locality to file their claim, Pugh explained.

The DUA program was announced July 6 by the VEC for 30 counties which were included on the second and third lists of disaster localities, giving workers in these area counties until August 4. Workers in six localities on the final disaster list – Amelia, Bath, Essex and Smyth Counties and Buena Vista and Galax – ha ve until Aug. 11.

"We urge persons who became unemployed because of the flood, even if it was temporary, to contact us to determine their eligibility for disaster benefits," he added.

The disaster benefits are different from regular unemployment insurance benefits. Many individuals who are not eligible for unemployment insurance can qualify for disaster benefits, Pugh said. Persons in this category include farmers and farm workers, self-employed persons and persons who work for employers who are not covered by unemployment insurance taxes.

...ords in state Democratic Party affairs, congressional affairs and the school integration movement.

Rep. Abbitt began the practice of law in Appomattox in 1931 and served as commonwealth attorney for Appomattox County from 1932 to 1948, when he was elected to the 80th Congress to fill a vacancy caused by the death of the late Hon. Patrick H. Drewry. He was re-elected 12 times.

Tobacco Crop At National Park

JOHNNY CARNEFIX, maintainence worker at ACHNHP, is pictured with tobacco patches which he planted last month. Tobacco is being grown in the village to add to the historic scene. The small tobacco crops are interpreted to the visitors by one of the park's Living History interpreters, Harold Howard. Many visitors have never seen tobacco crops, and patches such as these were planted after the Civil War as seed crops to prepare for their major crops of tobacco the following year.
